Remarks

Welcome to this beautifully updated two-story home in the heart of Maricopa, just a short walk to Pacana Park. Priced below the FHA appraisal from April, this home is back on the market after the previous buyer could not perform ready and waiting for you. Enjoy peace of mind with a new AC installed in 2022, new windows in 2023, & solar to help keep utility bills low. The backyard has a sparkling heated pool and spa, low-maintenance artificial turf, and plenty of space to relax or entertain. Inside, you'll find a functional layout with tasteful updates and natural light throughout. The desirable Glennwilde community has 10 tot lots, two community pools, and scenic walking paths. Close to schools, shopping, and dining this is Maricopa living at its best.
